

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

GREEN RIVER ELECTRIC CORPORATION'S	)	
NOTICE OF INCREASE IN RATES FOR RETAIL	)	CASE NO. 90-152
ELECTRIC SERVICE	)	

O R D E R

On October 31, 1990, Commonwealth Aluminum Corporation ("Commonwealth Aluminum") filed a motion requesting leave to amend the exhibit to the testimony of William G. Toler on behalf of Commonwealth Aluminum. The motion states that the purpose of the amendment is to correct typographical and numerical errors contained in the original exhibit in the record of this case.

On November 12, 1990, Green River Electric Corporation ("Green River") filed a response in objection to Commonwealth Aluminum's motion. Green River argues that the late-filed exhibit is not subject to cross-examination and should not be admitted into the record.

Based on the motion and the response and being advised, the Commission hereby finds that Commonwealth Aluminum's motion should be granted. The record indicates that the original exhibit was subject to extensive cross-examination by Green River and the existence of typographical and numerical errors were discussed at that time. The filing of the amended exhibit will not result in any prejudice to Green River.

IT IS THEREFORE ORDERED that Commonwealth Aluminum's motion to file the amended exhibit be and it hereby is granted.

Done at Frankfort, Kentucky, this 14th day of November, 1990.
